## Durotech's Durable Waterproofing Solutions

DUROTECH Industries is a prominent manufacturer and supplier of waterproofing systems to the construction industry. Our membranes have been used in the sealing of wet areas in buildings, roofs, decks and other surfaces against moisture and weather damage for over 30 years.

Durotech takes pride in its high level of customer satisfaction and continued loyalty, this has allowed significant growth in business over the past several years.

Durotech systems have been proven in Australia and overseas for excellent durability in severe weather conditions. We have a commitment to manufacture energy saving, environmentally friendly coatings and membranes. Our wide range of products and consistent focus on quality and customer service, has provided years of waterproofing experience to the construction industry. As a market leader in waterproofing membranes, Durotech strives to achieve "Best Practice in Waterproofing" at all times.
