

Caroma

Marc Newson.

The dream bathroom – a synergy of form and function.

That dream is realised as two Australian icons come together.
Introducing the Caroma Marc Newson collection.

Marrying Newson's award-winning minimalist aesthetic with the trusted functionality of Caroma, the collection sets a new standard in affordable luxury. Innovative design and ingenious manufacturing deliver stunning bathroom solutions.

Building on Caroma's 70-year heritage of innovation and technical excellence, Caroma Marc Newson incorporates unique design features and patented engineering.

Internationally renowned for melding the purity of his lines with innate functionality, Newson brings his signature style to a suite of refined bathroom fixtures and accessories.

State-of-the-art materials, creative engineering and architectural lines converge in collaboration between Australia's foremost designer and the country's leading name in bathrooms.
