The Ultimate In Decking; Slip, Bushfire, Scratch

TIMBERTECH XLM has unmatched durability and performance in all Australian climates.

This ultra-low maintenance decking product is designed to outperform others in either residential or commercial applications. Perfect for around pools, ocean side or high traffic cafes & bars.

Slip resistant – unmatched in the market, Class 'B' in the wet bare foot ramp test, making it the perfect choice for around pools or commercial ramps, plus 'W' 'R11' in other tests.

Bushfire resisting – approved for use in bushfire attack level (BAL) 29 areas and below.

Scratch, stain & fade resistant – a highly durable cap is applied to the decking boards to resist surface scratches and stains whilst preventing the Australian sun from fading the beautiful deck.
