Designer Selection

Norman Shutters by Lifestyle has an unmatched selection of frame, louvre and finish options to complement the dècor of any room on any window. These deliver outstanding privacy, prevent light gaps and are all built with the same attention to detail as a fine piece of furniture.

The luxurious Amhurst western red cedar series is nothing short of exquisite and the Sussex basswood series offers a palette of 50 finishes as standard with the option of another 1800 colors from the Dulux range. Try Normandy with the advantages of hardwood and a beautiful grain that shows through both lacquer and stain

Norman Shutters by Lifestyle introduce the power of Perfect Tilt Motorisation. The best shutters in the world just got better.

- Pre-set angled positions; complete control of light and privacy
- Single or multiple panel control – move one louvre set, move one shutter panel or move multiple shutters side-by-side
- No expensive and invasive hardwiring required
