## Am-boss Access Ladders & Fall Protection Systems-

AM-BOSS Access Ladders are installed in all types of buildings: government, factories, hospitals, domestic, new and existing. The AM-BOSS system is the ideal way to create safe access to the ceiling space for a storage facility, or access to plant room and rooftop access. AM-BOSS raised the standard of workplace safety by offering the only pull-down access ladder to comply with the Building Code of Australia (BCA) and are CodeMark Certified. AM-BOSS pioneered installations of access ladders into suspended ceilings and we manufacture, supply and/or install to suit each individual environment.

AM-BOSS also offers a pull-down access ladder that is Fire-Rated to AS1530.4-2005 with a 90/90 rating. We supply and install Fall Arrest Systems, Anchor Points, Walkways, Guardrailing, Fixed Access Ladders, etc.

AM-BOSS Access Ladders Pty Ltd provides superior customer service through the manufacture, supply and installation of quality products. The company's philosophy of providing consistent product quality, and adhering to agreed customer service levels, has resulted in its continuing success, and helped establish AM-BOSS as a leader in the commercial, industrial and domestic industries.

Am-boss Access Ladders Pty Ltd is totally committed to understanding and meeting the quality needs and expectations of all our customers.
