SUPACOUSTIC & SUPALINE

Premium Custom Solid and Perforated Panel Systems

At SUPAWOOD we realize that every project is needs its own distinctive touch and sometimes you may not find that special effect you want to achieve in the standard range.

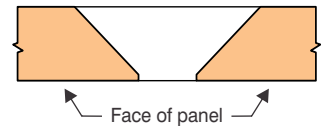

SUPACOUSTIC and SUPALINE Custom allow you the flexibility to create just exactly the look you need by mixing and matching from any of SUPAWOOD's full range of:

Finishes:

- ✓ SUPAFINISH – For a economical consistent finish
- ✓ SUPVENEER – For Natural Timber Veneers selected and finished with SUPAWOOD's trademark attention to quality.
- ✓ SUPACOLOUR – For highly durable Colours and Metallics by SUPAWOOD's industry leading polishers.

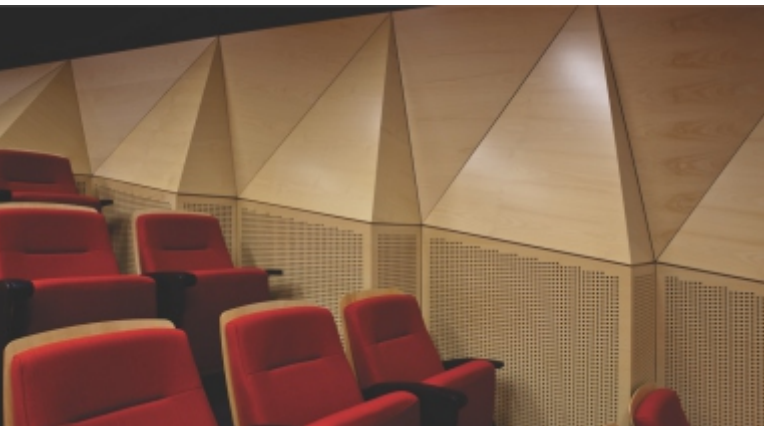

Acoustic Patterns:

- ✓ 4 Slotted patterns, also available in SUPAWOOD's unique V-Slot technology.
- ✓ 2 Perforation Patterns
- ✓ 4 Creative patterns
- ✓ Project specific patterns are a popular service with premium projects. This means you can create a unique project that conveys the essence of the design intent. Supawood offer a service of assessing your design for durability, acoustic performance, build ability and budget and will work with you to create a design that meets all your aesthetic, performance and budget needs.

Fixing Systems:

- ✓ Concealed Fixing Systems
- ✓ Direct Fixing Systems
- ✓ All tried and tested with the assurance of SUPAWOOD's extensive experience including technically challenging situations such as curves.

SUPACOUSTIC & SUPALINE

Premium Custom Solid and Perforated Panel Systems

Other Special Options are wet sealed panels for high humidity but protected areas such as outdoor soffits as well as a range of access hatch solutions.

Fully custom options are typically only economically viable in quantities of greater than 100m².

SUPAWOOD's ensure the final result what you had envisaged by providing Shop Drawings and where required Prototypes.

Please feel free to contact one of our team of experienced Consultants to discuss how to turn your design intent into reality, in time, on budget, and without any unexpected surprises.
