The provocative new range of Burlesque highly glazed bricks adds a lively new dimension to any residential or commercial project with its celebration of colour and flair for originality.

Burlesque comes to you in five enticing colours sure to complement any audacious design: **Lust** is a deeply affecting red; **Chastise** an exotic jet black; **Leer** is an upfront, unabashed white; **Envy** a vibrant yellow; and **Smitten** an alluring and unapologetic

cobalt blue. Daring hues all, strong and distinctive, as beguiling as they are irresistible.

Far from being glitzy, the Burlesque range taps into the inner spirit through its distinctive, highly glazed finish, offering tantalising dashes of expression for builders, designers and architects with something to say.
