

Flooring for the stars.

You can now earn up to two points towards your new building's GBCA Green Star® rating.

The Green Building Council of Australia's (GBCA) new 'PVC Credit' now permits Armstrong's 'best practice' PVC flooring products in GBCA Green Star® projects.

green building council australia
MEMBER 2010-2011

Armstrong's Accolade Plus, Accolade Safe Plus and Infinity are the only Australian made flooring products to comply with the GBCA Best Practice PVC guidelines in the built environment.

In addition, these Armstrong products are currently ecospecifier Verified and are also being assessed by ecospecifier for GreenTag™ LCARate and GreenRate Certification.

For more information call your Armstrong representative, visit www.bestpracticepvc.com.au or email us today at bestpracticepvc@armstrong.com

[Between us, ideas become reality.™]
