

MISSION STATEMENT

GREENLINE SHADE AND SHELTER will provide a comprehensive range of quality products through personal professional customer contact while maintaining sound business principles and good profits.

GREENLINE SHADE AND SHELTER promises a safe, enjoyable and challenging work environment based on thorough training systems and employee benefits and rewards.

GREENLINE SHADE AND SHELTER will seize opportunity, change and innovation and purposely pursue the 'best way' of marketing, operation, customer satisfaction and business development.

GREENLINE SHADE AND SHELTER will strive to reach an unequalled level of service and guarantee every product with full customer support and 'back-up'.

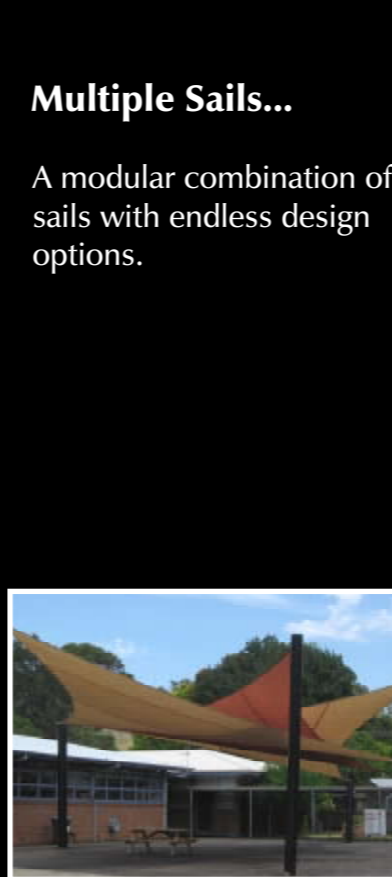

GREENLINE SHADE AND SHELTER commits to constantly pursue progress.

Our Vision... *"Covering the outdoors"*

The Sail Structure...

An economical and eye catching design to enhance any area.

Multiple Sails...

A modular combination of sails with endless design options.

Barrel Vault Structure...

A gentle design which provides an impressive solution for large spans.

Hip...

A conventional and proven concept combining maximum shade and a solid frame.

Conic...

A 'centre point' structure featuring the timeless conical look which is eye-catching, practical and long lasting.

Star...

A spectacular combination of umbrella and sail designs around a central post.

Umbrellas...

A traditional fixed design that adds value to any area.

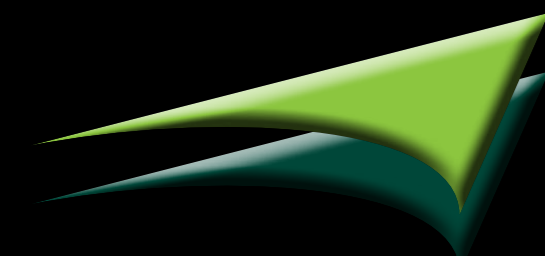

Cantilever ...

An architectural design to minimize posts and maximize shade.

The Ultimate in Shade...
