Make your business look good - with your choice of colours and your logo displayed.

Innovative and stylish, the SilverScreen Glass Whiteboard adds a new dimension to the office and boardroom. Available in any colour, in a range of standard or custom-built sizes, and with your company logo or message tastefully displayed in the position you prefer, your SilverScreen is no longer just a whiteboard - it's an attractive design piece that also strengthens your brand.

Choose any colour to suit your business or décor:

The ultimate in style, quality and convenience.

Constructed from 6mm toughened glass, and featuring 5mm rounded corners and factory ground "soft" edges, your SilverScreen comes complete with highest grade stainless steel fittings, and fixings suitable for mounting on masonry/brick or cavity walls. What's more, the smooth glass surface allows you to safely write and wipe away any normal marker pen – which means you don't need to buy special whiteboard markers or worry about nasty smudges or stains.

The new standard in whiteboard design:

- Any colour
- Any size – custom-built or choose from our standard size range.
- Your logo displayed in the position you prefer.
- No-stain surface suitable for any marker pen.
- Delivery Australia wide.
