

Introducing a revolutionary waste disposal unit.

The new Evolution series.

The brand new Evolution range from InSinkErator is not just cleaner, quieter and more environmentally responsible, it's revolutionary. The Evolution 200 has a new 3 stage grinding system. Now 60% quieter than our standard disposer, it quietly makes

light work of your food waste disposal. Disposers help divert organic waste from landfill therefore it's good for the environment. Evolution 200 units are backed with a 6 year guarantee so you can be sure you're getting the very best quality unit on offer. For the latest

in waste disposal for your kitchen, insist on a new, larger Evolution 200 unit from InSinkErator.
