

Be inspired by Cachet, a brand new collection of contemporary and sophisticated blind fabrics with an extensive range of colours, transparencies and textures. Find a fresh new fabric from Cachet's innovative colour range with everything from clean modern textiles, to rustic natural weaves, to rich elegant textures.

WHITES

Create a cool, calm retreat with pure white or breathe warmth into your room with soft ivory or cream. The fresh tones of the white collection will add tranquillity and sophistication to any home. These simple and pristine shades can be combined with one of Cachet's delicate and lustrous fabrics for a soft and peaceful setting.

YELLOWS

Let your imagination run wild with this remarkable collection of warm and engaging yellows. The light and serene shades of natural cotton and lively canary are spun into durable yet delicate designs that perfectly reflect the great Australian landscape. The deeper, bolder tones of ochre and gold offer more dramatic inspiration and are given another dimension by Cachet's distinctive weaves.

PINKS

Expect the unexpected with this vibrant and energetic collection. Make a splash with exotic salmon, create a friendly elegance with deeper tones, or inject a gentle sense of fun with warm beige or grey. Cachet's new fabrics will draw out your true colours, whether bright and bold or quietly inviting.

BROWNS

A delicious range of rich and reliable browns, this collection oozes comfort, so snuggle up and enjoy these warm and earthy shades. Choose from names like Truffle, Mocha, Fudge and Coffee, and combine them with one of Cachet's new fabrics for a sumptuous sheen or a rustic relief, to create the perfect blend for your home.

NEUTRALS

Weave nature into your home with the light tones and raw texture of the neutral collection. This range of unassuming creams and beiges is endlessly versatile. Match with one of Cachet's unique textures to bring your room to life, or select a classic and understated fabric to blend the subtle shades to your décor. With the neutral collection, you can choose to make a statement or let the gentle tones quietly refine your room.

GREENS

Light and modern, natural and organic, or deep and formal, the Cachet green collection brings balance to any setting. Crisp lime for a cool modern look, lush forest for a natural and organic flavour, or deep olive for classic good taste, soothing greens are ideal for nurturing a harmonious home environment. Choose from a selection of understated screens or soft fabrics to bring perfect balance to your room.

LILACS

The lilac collection spins a romantic tale with its gentle hues and quiet creativity. With a delicate range of slightly tinted shades, ideal for an intimate setting, this collection will gently warm your room. Select one of the softer fabrics for a dreamy feel or choose a more complex texture to add interest and intrigue.

CHARCOALS

A touch of class. The charcoal collection is a timeless selection of fabrics designed to frame your room with smooth, elegant lines. The lighter shades of grey and smoke, when teamed with a transparent screen, bring a quiet confidence to brighten and lift your room, while dark charcoal and blacks, when teamed with bolder textures, create a dramatic and commanding finish.
