

Nu-Petite®
Collection

Australia's only
sink manufacturer

Third Edition 2008

www.oliverisinks.com

Refined & Generous

For more than a decade, Oliveri Petite stainless steel sinks have set the standard in Australia for style and functionality that others have since strived to follow. With today's large living areas has come a demand for even more generous capacity as well as refinements to appearance. Looking to the future, the designers at Oliveri have crafted a new range of sinks worthy to continue Petite's heritage and meet the needs of the modern household.

Introducing Nu-Petite.

www.oliverisinks.com

www.oliverisinks.com

Inset | An Australian Classic

Inset sinks featuring a hygienic drainer and two bowls are a favourite in Australia. Nu-Petite combines clean square lines and round curves into an efficient, refined drainer design for ample drying and defrosting space. The generous main bowl is paired with a choice of functional secondary bowls and each sink includes Oliveri's custom accessories to ensure that there's a Nu-Petite just right for your kitchen.

Drainer

Refined drainer is both attractive and effective.

Bowl

Generous 30 litres main bowl capacity.

5 side bowl

Clever design locates tap within the sink.

Included Accessories

AC14
Basket Waste

AC62
'D' Colander

AC63
Stainless Steel Utility
Tray (NP615/6, NP663)

AC65
5 Side Timber
Preparation Board

NP671 shown with PS113 Mixer Tap as an optional extra.

Features

Accessory Lip
This ingenious feature holds the custom designed accessories securely in place to make your Oliveri more than just a sink.

Basket Waste
No more lost plugs. Push down to seal, pull up to drain and strain then remove to empty. Nu-Petite is supplied standard with basket wastes.

Rear Outlets
Oliveri designers have placed the drain outlets towards the rear of the bowl to give you the maximum amount of useable space below the sink.

18/10 Stainless Steel
Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability.

Tap Provision
Oliveri designers have even included a provision for fitting an additional accessory such as a filtered water tap or soap dispenser. (NP671/2, NP653)

Oliveri Logo
The Oliveri signature represents 60 years of world class sinkware manufacture in Australia. If it's not an Oliveri, it's a compromise.

Compact | Intelligent use of space

You don't need a large kitchen to enjoy a generous-sized sink. These compact inset models all feature Nu-Petite's 30 litre main bowl to accommodate large dishes and platters with ease but they take up only minimal bench space. Ideal for highly efficient kitchens, they can also transform into food preparation work stations when using Nu-Petite's clever custom accessories.

Drainer
Refined drainer is both attractive and effective.

Bowl
Generous 30 litres main bowl capacity.

5 side bowl
Clever design locates tap within the sink.

Undermount | Style for the solid surface

If you long for the seamless look of a solid surface, you'll find Nu-Petite's undermount sink range irresistible. Crisp, square and deep - their modern design and generous capacity will complete your kitchen without compromise. Crafted with exceptional quality from hygienic stainless steel, these refined beauties will make your solid benchtop simply brilliant.

AC63 Stainless Steel Utility Tray
Extends the versatility of your Nu-Petite.

Features

Bridge

The bowls of Nu-Petite's undermount sinks are joined by a solid supporting bridge. This means there are no weak areas between the bowls.

Rear Outlets

Oliveri designers have placed the drain outlets towards the rear of the bowl to give you the maximum amount of useable space below the sink.

Basket Waste

No more lost plugs. Push down to seal, pull up to drain and strain then remove to empty. Nu-Petite is supplied standard with basket wastes.

18/10 Stainless Steel

Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability.

Extra Wide Bench Top (NP60U)

Size does make a difference. The twin main bowl NP60U requires a wide (720mm) bench top to allow for the mixer tap.

Oliveri Logo

The Oliveri signature represents 60 years of world class sinkware manufacture in Australia. If it's not an Oliveri, it's a compromise.

Tapware | The perfect partners

Oliveri tapware has been selected from the world's finest manufacturers. In order to wear the Oliveri signature it must be of the highest quality, elegant in design and functional. The taps are carefully chosen to complement the clean lines of your Oliveri sink while performing with the utmost reliability when connected to a variety of hot and cold water systems.

MV617/6 extendable spray head mixer

From washing vegetables to filling large pots, the Oliveri MV617/6 is a kitchen essential. This European made mixer tap features an extendable shower head that delivers either spray or stream at the flick of a button. It also includes a clever 'soft opening' device which reduces splashes. Like all Oliveri tapware, it is of the highest quality, elegant in design and functional, sourced from one of the world's finest manufacturers.

WELS 3 star water efficiency rating
9.0 litres per minute

Oliveri mixer taps are WELS compliant

WELS 3 star water efficiency rating
9.0 litres per minute

MG513 mixer tap with gooseneck spout

This tall, elegant mixer tap has smooth curves to accompany the modern design of the larger Oliveri sinks. A generous spout height allows plenty of room to get the biggest roasting dish underneath, while the simple one-touch control lever responds instantly to your command. This European-made beauty will further enhance the finest Oliveri sinks.

WELS 3 star water efficiency rating
9.0 litres per minute

Oliveri Tapware is only available from selected outlets and is suitable for mains pressure water systems.

PS113/1 single lever sink mixer

This timeless design incorporates a generous reach swivelling spout with a handle that is smooth and light to operate as well as being easy to keep clean. Finished in bright chrome, this European-made mixer tap is very much at home on any Oliveri sink. The subtle Oliveri signature on the control handle is your sign of quality.

Wide Bench Tops
Minimum 720mm bench top required for installation.

World Class Manufacturing

Over the years, the Oliveri signature has earned its reputation as a mark of excellence in design, function and durability. Overseas markets have also been impressed by the quality and innovative accessories that complement every Oliveri sink. Export sales continue to grow, further establishing Oliveri as one of the world's best stainless steel sinks.

The company began life as a general, domestic and metal fabricator in 1948. The founders pioneered the deep drawing technology in Australia, creating seamless, deep drawn stainless steel bowls.

Tasman Sinkware will continue to develop designs and styles suitable for any application where the highest standards are demanded.

Care & Maintenance

Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability. However, no stainless steel sink was ever designed to do battle against hardened metal utensils or food processor blades, without incurring at least a few scratches.

The best prevention against scratching is to exercise a little extra care, or even to use one of Oliveri's accessory baskets when washing cutlery and the like.

To maintain the shine on your Oliveri sink, regular maintenance is recommended with any of the easy to obtain, non-abrasive stainless steel cleaners or metal polishes.

Genuine Oliveri

Beware of imitations as no one can match the quality and design of Oliveri sinks and accessories.

The Oliveri signature embossed into the stainless steel surface, as well as the distinctive Australian style packaging, ensures that your sink is a genuine Oliveri.

Full Range

Refer to Solid Surface & Contemporary Catalogues.

Individually Inspected

Each Oliveri sink is individually inspected for quality of construction and finish.

Raw materials are sourced worldwide, and must satisfy the highest standards before being accepted into the manufacturing process.

Tasman Sinkware currently produce their sinks and tubs to "world standard" best practice. The company is Quality Endorsed and all products are manufactured to Standard ISO 9001-2000, your guarantee of quality.

Current designs reflect the most modern and innovative styles and are crafted to suit even the most discerning homeowner.
