

Duraflash makes light work of every roofing job

Every plumber knows that working with flashing can be time consuming. That's why you'll love Duraflash. It's up to 86% lighter than traditional flashing so it's much easier to work with. Duraflash is also completely lead free, so it eliminates the risk of water contamination into rainwater tanks.

- Ease of installation
- Lightweight
- 100% lead free
- Fully adhesive butyl backing to ensure greater watertightness
- Self bonding to dry, dust free surfaces
- Flexible ribbed design to offer additional horizontal stretch
- Durable UV resistant finish
- Complies with AS/NZS4347
- Paintable option with Duraflash Primer Coated
