STEGBAR

A JELD WEN Company

“to harness superior thinking in the creation of products that functionally and visually enhance the spaces in which people live whilst reducing our carbon footprint”

There's every chance that JELD-WEN is the biggest company you still don't know. It's a nice problem to have, as our products and brands are the best known and most trusted in the business.

Formed in 1960 as a small millwork plant in Klamath Falls, Oregon, JELD-WEN has grown to be one of the largest manufacturers of windows, doors, showerscreens and wardrobes in the world, through a commitment to embrace change, a promise to deliver quality craftsmanship and uncompromising customer service.

Brands that transform

In Australia, the JELD-WEN family of companies includes trusted Australian brands Airlite Windows and Doors, Corinthian Doors, Regency Showerscreens and Wardrobes, William Russell Doors and of course, Stegbar.

We manufacture and sell products across Australia, New Zealand, Asia, Europe and North America. We look forward to exceeding your expectations in transforming the way you live.

Transform the way you live
